Hi Valois –

Attached are suggested edits on the latest version. I tried to make as many of the changes we discussed with the EJ program today as possible, in order to (hopefully) save you some time.

I'm off tomorrow, but please feel free to call me on my cell if you have any questions.

Corbin/Jean – please take a look to make sure you are OK with the edits – especially changes to the conclusion.

Thanks, Kimi

Thanks so much for your reviews and input to get to this version.

I left some comments in the margins either to direct you to areas where I would like you to check to be sure I addressed the comments the way you intended or areas that may still need resolution. The blue is where I added new language.
